

World day of the critical lung

“Building bridges to better breathing”

Estimado Colega;

Nos comunicamos con usted en nombre de la Federación Panamericana e Ibérica de Sociedades de Medicina Crítica y Terapia Intensiva con el objetivo de invitarlo a participar del “Día Mundial del Pulmón Crítico” que se realizara el próximo 17 de noviembre.

El objetivo del evento es crear un evento global, online, gratuito, sin fines de lucro, bilingüe (español e inglés) e integrativo en cual se podamos aprender y discutir los principales temas vinculados a enfermedades respiratorias del paciente crítico.

El programa científico es muy variado y todos los ponentes se destacan por tener artículos originales de alto impacto publicados en pubmed.

Para que el evento sea un éxito mundial precisamos tu participación por lo cual **INSCRIBETE YA** en <http://ebookmedico.net/pulmoncritico/>

Muchas gracias y bienvenido al “Día Mundial del Pulmón Crítico”

Comité organizador:

Dr. Luis Blanch (España),
